

Charlie - IMPORTANT INFORMATION Tech Rehearsal & Show Week Timetable

We will be operating the same system as before when collecting students. Each changing room will be named and students will be available to be collected at the pre-determined times shown in the table below. We will endeavor to adhere to these times for every performance as much as possible. We ask that patience is shown when collecting your child after the show finales.

We ask that only parents picking up at the allotted time gather at the exit door to avoid congestion. Students over the age of 15yrs can sign themselves out without a guardian needed however once they have signed out, they are responsible for getting home safely.

There will be an early collection time provided for younger students in Act 1 & Act 2. This is for parents who are not watching the performance but wish to collect their children before the finale on Saturday 18th. This has been put into place to ensure that ALL students attend every performance that they are scheduled to perform in. For Sunday 19th performances all students are required to be present for the Finale as both Sunday Shows are being filmed.

Please note that due to Theatre Safety Rules if parents are watching the show, students will have to wait until the finale is finished to be collected as parents are not permitted to collect their child after their dance and return with their child to their seats to watch the remainder of the show.

Parking: The Theatre does have a car park available; however, this can become busy. Parking is no longer free therefore if you are watching the show please ensure you leave with plenty of time for parking and have change. If you are dropping off your child, there is a drop off point outside the front door entrance if you do not wish to park up. Please make sure younger students are not left to enter the building and sign in by themselves.

Please note, the school will be unable to provide students with makeup, hair pins, gel etc for hygiene reasons. Therefore, please ensure your child either has their makeup and hair done before they arrive or to ensure your child has their belonging with them ready for our volunteers to do hair and makeup. A list of makeup and hair requirements will be emailed out.

Please read the BIPA handbook for all the information you will need regarding The Olympus Theatre and SGS College.

Lastly, we want to quickly say thank you for your support the last two terms in class and in rehearsals. We cannot wait to share all the hard work!

Saturday 18th & Sunday 19th Changing Room Allocations, Drop off & Collection times:

Please ensure all students are wearing their Show T-Shirts and black leggings on arrival (Please label everything!) Any snacks must be in a sealable container and all students should bring a water bottle. No nuts or eggs as we have students with allergies. There will be a tuck shop available so students may bring a small amount of cash if they wish to purchase any treats.

Please bring reading books, colouring pencils and paper or small games for when children are waiting in the changing rooms. We recommend not bringing any valuables to the Theatre such as mobile phones, iPads etc as the school will not be liable for any items lost or damaged.
